ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. SIMMONS) (during the vote). Members are advised 2 minutes remain in this vote.

□ 1912

So (two-thirds having voted in favor thereof) the rules were suspended and the resolution, as amended, was agreed to.

The result of the vote was announced as above recorded.

The title of the resolution was amended so as to read: "To congratulate the National Aeronautics and Space Administration and the *Discovery* crew of Commander Eileen Collins, Pilot Jim Kelly, Mission Spe-

cialist Charlie Camarda, Mission Specialist Wendy Lawrence, Mission Specialist Soichi Noguchi, Mission Specialist Steve Robinson, and Mission Specialist Andy Thomas on the successful completion of their 14 day test flight to the International Space Station for the first step of the Vision for Space Exploration, begun from the Kennedy Space Center, Florida, on July 26, 2005, and completed at Edwards Air Force Base, California, on August 9, 2005, which historical mission represented a great step forward into the new beginning of the Second Space Age."

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. ANDREWS. Mr. Speaker, I regret that I missed two votes on September 20, 2005. Had I been present I would have voted "yes" on rollcall Nos. 476 and 477.

PERSONAL EXPLANATION

Mr. BURTON of Indiana. Mr. Speaker, I was regrettably delayed in my return to Washington, DC, from a meeting with Nicaraguan President Bolaños in Managua, and therefore unable to be on the House Floor for rollcall votes 476 and 477. Had I been here I would have voted "yea" on rollcall vote 476, and "yea" on rollcall vote 477.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 250, MANUFACTURING TECHNOLOGY COMPETITIVENESS ACT OF 2005

Mr. GINGREY, from the Committee on Rules, submitted a privileged report (Rept. No. 109-227) on the resolution (H. Res. 451) providing for consideration of the bill (H.R. 250) to establish an interagency committee to coordinate Federal manufacturing research and development efforts in manufacturing, strengthen existing programs to assist manufacturing innovation and education, and expand outreach programs for small and medium-sized manufacturers, and for other purposes, which was referred to the House Calendar and ordered to be printed.

□ 1915

HONORING TIANNA MADISON

(Mr. BROWN of Ohio asked and was given permission to address the House for 1 minute.)

Mr. BROWN of Ohio. Mr. Speaker, I rise today to recognize a distinguished Ohioan, Tianna Madison. In August, Ms. Madison, a graduate of Elyria High School, won the long jump at the World Track and Field Championships held in Helsinki.

A nine-time State champion, Ms. Madison shocked the world when she leaped 22 feet, 7¼ inches to win the title, defeating Russian Olympic silver medalist Tatyana Kotova.

During her senior year in high school, Ms. Madison became only the third athlete in Ohio history to capture four events in a State meet 2 years in a row. The first was another long jumper, Jesse Owens.

At 19, Ms. Madison is one of the youngest-ever world track champions. When asked by the Plain Dealer if she was surprised by her stunning performance, she replied, "I expected it. I prayed about it. I knew it was going to happen. I just did not know which year."

Mr. Speaker, it is my honor to congratulate Tianna Madison on her remarkable achievement.

PERSONAL EXPLANATION

Ms. WOOLSEY. Mr. Speaker, I was unavoidably detained and missed roll call vote 471 and 472 on Thursday of last week. Had I been present, I would have voted nay on roll call 471, and nay on roll call 472.

SPECIAL ORDERS

The SPEAKER pro tempore (Mr. SIMMONS). Under the Speaker's announced policy of January 4, 2005, and under a previous order of the House, the following Members will be recognized for 5 minutes each.

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Minnesota (Mr. GUTKNECHT) is recognized for 5 minutes.

(Mr. GUTKNECHT addressed the House. His remarks will appear hereafter in the Extensions of Remarks.)

EXCHANGE OF SPECIAL ORDER TIME

Mr. OSBORNE. Mr. Speaker, I ask unanimous consent to claim the time of the gentleman from Minnesota (Mr. GUTKNECHT).

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Nebraska?

There was no objection.

COST OF E85 FUEL AND UNLEADED FUEL

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Nebraska (Mr. OSBORNE) is recognized for 5 minutes.

Mr. OSBORNE. Mr. Speaker, I am certainly a great supporter of the ethanol industry. Ethanol does a great many good things. It reduces our dependence on foreign oil. It reduces the trade deficit, which is certainly a very difficult problem for our economy. It reduces the cost of the farm bill. And it helps the economy, creates roughly 200,000 jobs. And, of course, it also produces more energy than it consumes.

Mr. Speaker, this is something that is widely misunderstood. And I would like to show the chart here, Mr. Speaker, that I think illustrates something
